NGI EXPLORERS PROGRAM

1st Open Call

NGI Explorers is the European Commission program to launch Europe's Top Researchers and Innovators into Technology Expeditions to the United States

GOAL - Through a transformative journey, our Explorers will gain the skills and build the networks to catalyze the success of their ambitious ideas fueled by the Next Generation Internet.

FOR WHO?

The Call is open for high profile Internet **Researchers** and **Innovators** (from academia, startups, SMEs and Industry) from all over Europe and H2020 associated countries that are specialized/ working on:

WHAT WE OFFER?

- 3-6 months Expedition in the USA 100% sponsored, working with a **US partner**
- The chance to solve **Technology Challenges** defined by our partners in US
- Free mentorship support
- Access to Europe's most powerful network of the **Next Generation Internet**

➔ **READ THE GUIDELINES FOR APPLICANTS**

Deadline: Wednesday 31st July, 2019 at 12:00pm CEST
